

**PUBLIC NOTICE FOR
DRINKING WATER REPORT
TOWN OF OACOMA PUBLIC WATER SYSTEM**

The Town of Oacoma routinely tests for contaminants regulated by either the State of South Dakota or the US Environmental Protection Agency (EPA). During 2022, Oacoma's tap water met all EPA and state drinking water health standards.

According to the federal Safe Drinking Water Act, all public water systems are required to issue an annual Drinking Water Report. This report includes information on source water, the levels of any detected contaminants and compliance with drinking water rules, plus educational material.

Copies of the Drinking Water Report compiled by the Town of Oacoma are available upon request by contacting the Oacoma Finance Office, P O Box 129, Oacoma, SD 57365. Phone (605) 734-4455. An electronic copy of the report is also available at <http://danr.sd.gov/OfficeofWater/DrinkingWater/docs/WaterSystemMap/DWQPDFs/0229ccr.pdf>.
